

Term 1 Week 8, 2019

Learning through and in Jesus Christ

PRINCIPAL'S REPORT

Welcome to Week 8.

This week we are featuring a report from our year 6 students who attended the Young Leaders Conference yesterday.

On Monday we took a long, tiring trip to Melbourne for the 'National Young Leaders Day'. First we saw Cal Wilson, she talked about her journey to becoming a comedian, and to always say 'yes!' To new opportunities. She also talked about how she wrote her first book.

After we took a quick, chaotic break to eat. We then got to meet Cal Wilson up close. We headed back into the auditorium to watch Tim Diamond and how he made a number of Uganda schools and the students lives a better place by creating the cotton on foundation in 2009. To later raise 90 million dollars for new schools, better hospital facilities, clean water and food.

After watching Tim Diamond we saw Leisel Jones and she spoke about her swimming journey, setting goals and how to achieve them. Holly Ferling talked about her journey from Brisbane Cricket Club to playing for the Melbourne Stars. She also spoke about her battles with injuries and how she overcame these.

We would like to thank the School Council for paying for our tickets for this inspiring and informational experience. We would also like to thank our parents who took us on this trip.

Thanks again from Opal, Lilysh, Charli and Tom.
