Welcome to Week 10,

This week's Gospel again spoke to us about forgiveness. Both the importance of, and the power of it. We are often talking to the children about forgiveness in the context of how our actions have resulted in the need for forgiveness from others, a very important part of our everyday lives. Furthermore, it was great to see so many great young people at our children's liturgy on the weekend. Thank you to Father Terence and Miss McKinnon for their organisation.

Late last term I attended a Professional Day in regard to Child Protection. Part of the day consisted of a presentation from Greg Gebhart from the Office of the eSafety Commissioner. A resource that we were given is for parents. It can be found at [https://www.esafety.gov.au/iparent](https://www.esafety.gov.au/iparent). This resource is where parents can find guidance for using safety settings on the family's web-connected devices, tips for choosing movies and games, and strategies for keeping young people safe online. It is important that we are never complacent as to what children are doing online so I strongly suggest that you take the time to have a look at this.

Again a reminder that our Facebook page is up and running and can be 'liked' by searching "St Joseph's Culcairn".

A huge Congratulations to our two representatives at the Mackillop Carnival in Sydney. A huge achievement and they certainly did us proud. Well done Grace and Faith.

Have a great break,
